

REFLECT-ALL

A SUPER REFLECTIVE COATING FOR IMPROVED SAFETY AT NIGHT

Goes on INVISIBLE but shines brightly when any light hits it! Helps you see and be seen.

DRYMIX REFLECT-ALL is a "Next Generation" technology designed to give ultimate reflective visibility to any surface it is applied to.

DRYMIX REFLECT-ALL is near invisible until light hits it and then thousands of tiny reflective glass beads come to life.

A revolutionary breakthrough in night time safety. DRYMIX REFLECT-ALL lets you see potentially dangerous obstacles... or lets you be seen by others... even at night! Ideal for residential, recreational, automotive and marine applications on items such as posts, railings, rocks, trees, curbing, docks, bicycles, skateboards, in-line skates, etc.

CONTENTS AND FUMES MAY CATCH FIRE. CONTENTS HARMFUL, MAY IRRITATE EYES AND SKIN, CONTAINER MAY EXPLODE IF HEATED.

Do not smoke while applying. Use in a well-ventilated area. Keep away from flames, such as pilot light, and any object that sparks, such as an electric motor. Do not swallow. Do not get in eyes or on skin or clothing. Do not breathe fumes. Keep out of reach of children. Do not puncture. Do not burn. Store away from heat.

FIRST AID TREATMENT: Contains toluene, propane, isobutane and isopropanol. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes or on skin, rinse well with water. If inhaled move person to fresh air.

DIRECTIONS: Apply only to a clean, dry surface free of dirt, grease, wax, rust, etc. Mask off surrounding area to protect from overspray. Shake well before and during use. Hold can 20-30cm from surface. Spray in short, overlapping strokes. For larger surfaces, apply several thin coats. To clear nozzle after use, turn can upside down and spray until valve clears.

One can covers approximately 27m² and lasts indefinitely.

**RESIDENTIAL • RECREATIONAL
AUTOMOTIVE • MARINE**
